SUBJECT: **FUNDING AUGMENTATION FOR HELPING KIDS TO RECOVERY, INC.
CONTRACT NO. PH-000320**

This is to inform you that Department of Public Health (DPH) plans to use the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31) to amend the County estimated maximum obligation and corresponding maximum allocation for Helping Kids to Recover, Inc. This agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of DPH or his designee to make such funding changes.

DPH is recommending this funding increase based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments: Attachment 1 is a description of the services affected by this amendment and Attachment 2 outlines the agency's current and proposed funding amounts.

If you have any questions or need additional information, please let me know.
